## ACTORS' PLAYHOUSE, A LEADER IN THE COMMUNITY

Since its humble beginnings in 1988, Actor's Playhouse has been a staple in our South Florida Community. Beginning as a movie house, it was quickly converted into a two-stage performance space, located a few miles away in a Kendall strip mall. In a private/public partnership with the City of Coral Gables in 1995, Actors' Playhouse packed its bags and moved into the historic 1948 Miracle Theatre movie house. The theater was renovated and converted into the three-stage performing arts center you know and love today. The ten-million-dollar project is widely acknowledged as being the catalyst for the revitalization of the downtown district which is now a hub for culture, retail, world-class restaurants, art galleries, international corporate businesses, and more. We receive over 150,000 patrons at the Miracle Theatre annually, including 60,000 youth as part of our educational programming.
